

Work Scholarship Volunteer Application

Thank you for applying for CDT's work-exchange volunteer program. We offer free dance classes in exchange for volunteering for us at the College Hill Town Hall. This program helps those on a limited budget to further their dance training or to pay for their child's dance classes.

Before you apply for a weekly position, stop by CDT to visit if you have never been there, and if you can afford it, please take at least one drop-in adult class, so that you will have a better idea of what our classes are like. Parents who are interested in applying for work-exchange for Kids classes should schedule a time to come to an observation day and/or meet the instructor before applying.

To apply, fill out the following pages and return them to me. I will then contact you and let you know if we have any positions available in which you have interest. Please indicate all work that you are willing to do for CDT, even if a position is currently not available.

If you are being considered for a position, the next step will be to meet with me for an interview. At that time we will review everything on the application, and the positions available will be explained more thoroughly.

If you do not hear from me for several months and are still interested, contact me again and let me know of your current interests and schedule.

Please let me know if you have any questions.
