## Kids Dance at Contemporary Dance Theater Frequently Asked Questions & Policies

[www.cdt-dance.org](http://www.cdt-dance.org)  
513-591-1222

### What are the session dates?

Session dates are posted on our website at [www.cdt-dance.org](http://www.cdt-dance.org). Dates will also be listed on registration sheets, class schedules and brochures, which are located in the lobby/waiting area, both upstairs and downstairs. Ask at the front desk if we are out of class schedules.

### What are the fees for the classes?

Fees may vary per quarter based on the number of weeks. See the website and current brochures for prices. There will be deadlines each quarter for registration and there is limited amount of space in classes. If capacity is reached in a class, names will be placed on a list and a second class may be offered. A class may be cancelled if less than four students are registered by the deadline. Additional fees may be added for a payment made after the deadline; check the brochure and website for details.

**There are no drop-in prices.** Please do not bring a friend or relative to drop-in and take a class. All students must be registered for a session before arriving at their first class.

Please note: During certain quarters if there is space in a class after the first week, new students might be permitted to join, at the discretion of the instructor and CDT.

Please call CDT, check at the front desk, or email [alissa@cdt-dance.org](mailto:alissa@cdt-dance.org) to inquire.

### What time will the class meet?

Please check our website or current brochures and class schedules for up-to-date schedules.

### Will make-up classes be offered? How will we know if a class is cancelled?

Make-up classes are only offered if the teacher or studio cancels a class (i.e. due to inclement weather, instructor is ill, etc). The instructor and/or CDT will attempt to give you as much notice as possible if a class is cancelled (will call, text and/or email you).

Closures due to the weather will be posted on our Facebook page, usually after noon for weekday classes. "Like" us on Facebook "Contemporary Dance Theater".

### What is the Dress Code?

We recommend that your child wear comfortable clothes that are easy to move in. Please do not wear jeans. Socks are generally too slippery, so either bare feet or shoes would be required.

#### **For Intro to Dance and Shake & Create:**

Leotards and footless tights are encouraged, but not required. Ballet slippers are optional, but encouraged, especially for Ballet classes. We encourage you to purchase ballet slippers at a dance supply store or at Payless as these stores will be able to fit your child properly. Diana's Dance Wear in Blue Ash will give you a 10% discount if you mention that you are taking classes at CDT. Socks are generally too slippery and unsafe.

**For Kids Breakdancing, Hip Hop, & Zumba® Kids:** We recommend that students wear athletic shoes or dance sneakers and comfortable clothes that are easy to move in. Knee pads are optional for Breakdancing.

**For Yoga:** Yoga mats are provided, or bring your own. Yoga is performed in bare feet and clothes easy to stretch in.

**For Tap:** Wear tap shoes and clothes that are comfortable to move in.

**For Modern:** No shoes are needed as this class can be done in bare feet, but jazz or ballet shoes may be used if needed. Dance or exercise clothes should be worn.

### **May the parent/guardian leave the building during dance class?**

If your child is in Ms. Allison's Shake & Create, Wiggle, Giggle, Imagine, or if you have a younger child in Introduction to Dance, a parent/guardian must stay in the waiting area just outside the Studio B classroom in case your child needs to use the restroom downstairs. Your child's safety is our number one priority and we feel that one way we can ensure this is to have parents/guardians easily accessible. It is helpful to have a parent/guardian available should a child need a hug, a nose wiped, or a bathroom break (downstairs in the Parlor).

For Kids Breakdancing, Hip Hop, Zumba® Kids, and Modern, a parent/guardian of all new students should stay in the parlor/first floor area during class, to be easily accessible by the instructor during class time, if needed. For tap class, parents may wait in the hallway outside of Studio B, or in the Parlor. For parents of regular students, ages 8 & up, parents should let the teacher know if they would be leaving the building.

**Please do not sit in the back of the room unless the instructor requests it, as it is often distracting to the students and instructor.** At the end of each quarter, there will be an opportunity to watch the class.

Please note that a parent/guardian may be able to take an adult drop-in class during the time of your child's class, depending on his/her age. Please consult with your child's instructor and the front desk.

### **What should my child bring to dance class?**

Your child should bring a water bottle with their name on it and the appropriate footwear for the class (ballet shoes, athletic shoes, etc.) Please do not bring personal items like toys or cell phones. These items are distracting during dance class and the studio is not responsible for lost items. If a student needs to use the phone they may use the studio phone at the front desk.

### **May parents/guardians and/or other relatives, siblings or friends watch the class?**

We do not usually have people inside the room watching the class, as it is very distracting for the students and instructors to have parents and other people in the room during dance class. However, we offer Family/Friend dance classes in which we invite everyone to observe and/or join in on the dance class. This is the perfect opportunity to see what your child has been learning during dance class. Dates will be posted, and are usually the last day of a session or quarter.

### **May I take video or photos during class?**

**Please do not take video or photos during a class.** If you would like to record what your child learned that day, **please take a video of your own child directly after the class ends.**

On Family/Friend days, which are usually on the last day of the quarter, photos and video may be taken for a portion or all of the class depending on the instructor; please ask the instructor first, though, as sometimes the instructor does not want his/her classes recorded.

### **Will there be a dance recital?**

There will not be a dance recital. We would have to devote a large portion of class time to learning and rehearsing dances for a recital. We use the time spent in dance class for learning new dance skills and concepts. Instead of a recital we invite you to join us for a Family/Friends dance class, usually the last week of a quarter or session. This is an opportunity for your child to show you what they have learned in their dance class.

### **What will my child learn during dance class?**

Please see our website ([www.cdt-dance.org](http://www.cdt-dance.org)) or brochures for current class descriptions.

**More questions?** Please ask for Alissa (regarding any class) or Allison (regarding her classes), by calling (513) 591-1222 or email Alissa at [alissa@cdt-dance.org](mailto:alissa@cdt-dance.org) and Allison at [allison@cdt-dance.org](mailto:allison@cdt-dance.org)
